- S-a nascut la 19 februarie 1876 in satul Hobita, intr-o casa construita in intregime din lemn.
- **a mers tarziu la scoala si s-a ocupat de pastorit in primii ani**, perioada in care ii placea sa sculpteze linguri de lemn cu motive traditionale
- **La 9 ani Brancusi s-a dus la Targu Jiu sa caute de munca.** La inceput a lucrat ca vopsitor si apoi la un magazin alimentar din Slatina
- **A scrijelit cu un briceag banca de la scoala si a fost pedepsit**, fiind inchis intr-un cotet de unde a fugit.
- In anul 1895, a intrat la **Scoala de Meserii si Arte, sectia de sculptura**, scoala **absolvita in trei ani in loc de cinci**, cat era durata normal
- Ca sa poata studia, a fost nevoie ca Brancusi **sa invete singur sa scrie si sa citeasca.**
- in timpul studiilor **este sustinut financiar de epitropia Bisericii Madona Dudu din Craiova si în special de Toma Marocneanu**, unchiul lui Nicolae Titulescu și epitrop al Bisericii Madona
- Dupa scoala de meserii vine la Bucuresti si urmeaza **Scoala Națională de Arte Frumoase**
